

**A Summer Scripture Series  
with Brandi Noval**

The whole idea is to take time this summer to read and reflect on God's word and what it means to you. This quick scripture study is self-lead, self-reflecting and can be done at your convenience. *This is open to ALL parishioners and starts July 1, 2020.*

Please contact me with any questions and please let me know if your following along so that I can add you to my prayer list.

I sat down thinking about what I wanted out of my personal life and how I could start to achieve these goals starting this summer. several topics emerged for me;

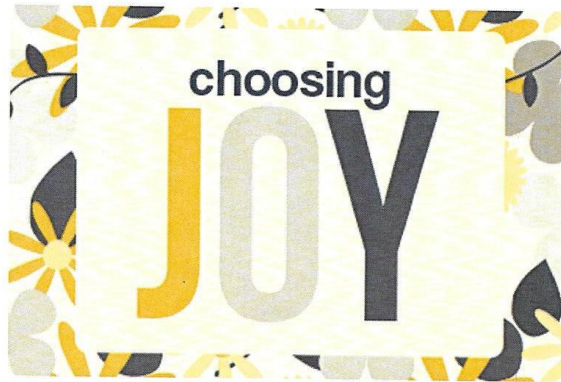

**Love** I want to show more love and affection to my loved ones, my children, my friends, and my community. **No More Fear**, I want to overcome lingering fears that are keeping me from walking in my purpose. **Purpose**, I want to stay focused on the purpose that God has for me in this season. I don't want to get distracted by things that sound good but aren't God's best for me. **Surrender**, I feel Him drawing me in to a greater surrender to His Word, His Will, and His Purpose for my life. As I began writing down each of these desires, I couldn't see how I could include them all in one year.

*And then an idea arose.... What if I could focus on all these things through a monthly Scripture reading plan?*

You will need: A Bible, Journal, Pen, & the Weekly Scripture Plan.

**How do you start?** Start by writing down what will bring you joy. What things do you want to work on to be closer to Christ? Then we will read the Scripture and journal using my prompts or ones you think of yourself.

**What do you do?** We will use the S.O.A.P method again. **Scripture**, (Read and Write the scripture in your journal ) **Observe**, (What is this saying TO YOU? What is interesting in it TO YOU?) **Application** (How can you apply this to your life today? How does this passage change your ideas or perception?) **Pray** (Pray, turn your thoughts into words so that God opens your heart to his message)
